## University of West Florida Selects RevenueVision®

**Orlando, FL – February 28, 2012** — **The Solution Design Group, Inc. (SDG)**, a NACAS Business Partner, is pleased to announce that University of West Florida has selected SDG's RevenueVision® solution for contract and revenue management of auxiliary services.

"We are thrilled to have UWF as a new RevenueVision® subscriber. As a Florida based firm, our state schools are very important to us and we are very pleased to be able to help them optimize revenues from auxiliaries," stated SDG President and CEO, Tom Strange.

RevenueVision® is a web based "software as a service" solution that has been designed and developed specifically for the higher education community to optimize the management of auxiliary enterprise relationships. It allows colleges and universities to pro-actively track revenues and expenses from each contract, measure vendor performance through its statistical tracking features, record and maintain critical dates and milestones, centralize document storage, and even issue invoices and record payments from vendor contracts.

RevenueVision® is a very affordable solution that is available on a monthly or annual subscription basis directly from SDG. Subscriptions include all hardware and software located in a tier one data center, unlimited telephone support, all upgrades and patches, and all system administration services. Subscribers only need a browser and a connection to the Internet for access.

**About The Solution Design Group, Inc. (SDG)** - SDG is a software development and information technology consulting firm that focuses on serving the public sector and higher education communities. The principals of SDG have over 75 years of collective experience serving public sector and higher education customers and have provided software or services for nearly 100 different clients around the world.
